RIGHTS**

**Subtitle A—Right to Advice and Care**

**SEC. 101. ACCESS TO EMERGENCY MEDICAL CARE.**

**(a) COVERAGE OF EMERGENCY SERVICES.—**

(1) IN GENERAL.—If a group health plan, or health insurance coverage offered by a health insurance issuer, provides or covers any benefits with respect to services in an emergency department of a hospital, the plan or issuer shall cover emergency services (as defined in paragraph (2)(B))—

(A) without the need for any prior authorization determination;

1 (B) whether the health care provider furnishing  
2 such services is a participating provider with respect to  
3 such services;

4 (C) in a manner so that, if such services are pro-  
5 vided to a participant or beneficiary by a nonpartici-  
6 pating health care provider, the participant or bene-  
7 ficiary is not liable for amounts that exceed the  
8 amounts of liability that would be incurred if the serv-  
9 ices were provided by a participating health care pro-  
10 vider; and

11 (D) without regard to any other term or condition  
12 of such coverage (other than exclusion or coordination  
13 of benefits, or an affiliation or waiting period, per-  
14 mitted under section 2701 of the Public Health Service  
15 Act, section 701 of the Employee Retirement Income  
16 Security Act of 1974, or section 9801 of the Internal  
17 Revenue Code of 1986, and other than applicable cost-  
18 sharing).

19 (2) DEFINITIONS.—In this section:

20 (A) EMERGENCY MEDICAL CONDITION.—The term  
21 “emergency medical condition” means—

22 (i) a medical condition manifesting itself by  
23 acute symptoms of sufficient severity (including se-  
24 vere pain) such that a prudent layperson, who pos-  
25 sesses an average knowledge of health and medi-  
26 cine, could reasonably expect the absence of imme-  
27 diate medical attention to result in a condition de-  
28 scribed in clause (i), (ii), or (iii) of section  
29 1867(e)(1)(A) of the Social Security Act; and

30 (ii) a medical condition manifesting itself in a  
31 neonate by acute symptoms of sufficient severity  
32 (including severe pain) such that a prudent health  
33 care professional could reasonably expect the ab-  
34 sence of immediate medical attention to result in a  
35 condition described in clause (i), (ii), or (iii) of sec-  
36 tion 1867(e)(1)(A) of the Social Security Act.

1 (B) EMERGENCY SERVICES.—The term “emer-  
2 gency services” means—

3 (i) with respect to an emergency medical con-  
4 dition described in subparagraph (A)(i)—

5 (I) a medical screening examination (as  
6 required under section 1867 of the Social Secu-  
7 rity Act) that is within the capability of the  
8 emergency department of a hospital, including  
9 ancillary services routinely available to the  
10 emergency department to evaluate such emer-  
11 gency medical condition, and

12 (II) within the capabilities of the staff and  
13 facilities available at the hospital, such further  
14 medical examination and treatment as are re-  
15 quired under section 1867 of such Act to sta-  
16 bilize the patient; or

17 (ii) with respect to an emergency medical con-  
18 dition described in subparagraph (A)(ii), medical  
19 treatment for such condition rendered by a health  
20 care provider in a hospital to a neonate, including  
21 available hospital ancillary services in response to  
22 an urgent request of a health care professional and  
23 to the extent necessary to stabilize the neonate.

24 (C) STABILIZE.—The term “to stabilize”, with re-  
25 spect to an emergency medical condition, has the mean-  
26 ing give in section 1867(e)(3) of the Social Security  
27 Act (42 U.S.C. 1395dd(e)(3)).

28 (b) REIMBURSEMENT FOR MAINTENANCE CARE AND  
29 POST-STABILIZATION CARE.—If benefits are available under a  
30 group health plan, or under health insurance coverage offered  
31 by a health insurance issuer, with respect to services that are  
32 provided as maintenance care or post-stabilization care covered  
33 under the guidelines established under section 1852(d)(2) of  
34 the Social Security Act, the plan or issuer shall provide for re-  
35 imbursement with respect to such services provided to a partici-  
36 pant or beneficiary other than through a participating health

1 care provider in a manner consistent with subsection (a)(1)(C)  
2 (and shall otherwise comply with such guidelines).

3 (c) COVERAGE OF EMERGENCY AMBULANCE SERVICES.—

4 (1) IN GENERAL.—If a group health plan, or health  
5 insurance coverage provided by a health insurance issuer,  
6 provides any benefits with respect to ambulance services  
7 and emergency services, the plan or issuer shall cover emer-  
8 gency ambulance services (as defined in paragraph (2)))  
9 furnished under the plan or coverage under the same condi-  
10 tions under subparagraphs (A) through (D) of subsection  
11 (a)(1) under which coverage is provided for emergency  
12 services.

13 (2) EMERGENCY AMBULANCE SERVICES.—For pur-  
14 poses of this subsection, the term “emergency ambulance  
15 services” means ambulance services (as defined for pur-  
16 poses of section 1861(s)(7) of the Social Security Act) fur-  
17 nished to transport an individual who has an emergency  
18 medical condition (as defined in subsection (a)(2)(A)) to a  
19 hospital for the receipt of emergency services (as defined in  
20 subsection (a)(2)(B)) in a case in which the emergency  
21 services are covered under the plan or coverage pursuant  
22 to subsection (a)(1) and a prudent layperson, with an aver-  
23 age knowledge of health and medicine, could reasonably ex-  
24 pect that the absence of such transport would result in  
25 placing the health of the individual in serious jeopardy, se-  
26 rious impairment of bodily function, or serious dysfunction  
27 of any bodily organ or part.

28 **SEC. 102. OFFERING OF CHOICE OF COVERAGE OP-**  
29 **TIONS.**

30 (a) REQUIREMENT.—If a group health plan provides cov-  
31 erage for benefits only through a defined set of participating  
32 health care professionals, the plan shall offer the participant  
33 the option to purchase point-of-service coverage (as defined in  
34 subsection (b)) for all such benefits (including physician pathol-  
35 ogy services) for which coverage is otherwise so limited. Such  
36 option shall be made available to the participant at the time

1 of enrollment under the plan and at such other times as the  
2 plan offers the participant a choice of coverage options.

3 (b) POINT-OF-SERVICE COVERAGE DEFINED.—In this sec-  
4 tion, the term “point-of-service coverage” means, with respect  
5 to benefits (including physician pathology services) covered  
6 under a group health plan, coverage of such benefits when pro-  
7 vided by a nonparticipating health care professional.

8 (c) SMALL EMPLOYER EXEMPTION.—

9 (1) IN GENERAL.—This section shall not apply to any  
10 group health plan with respect to a small employer.

11 (2) SMALL EMPLOYER.—For purposes of paragraph  
12 (1), the term “small employer” means, in connection with  
13 a group health plan with respect to a calendar year and a  
14 plan year, an employer who employed an average of at least  
15 2 but not more than 25 employees on business days during  
16 the preceding calendar year and who employs at least 2  
17 employees on the first day of the plan year. For purposes  
18 of this paragraph, the provisions of subparagraph (C) of  
19 section 712(c)(1) shall apply in determining employer size.

20 (d) RULE OF CONSTRUCTION.—Nothing in this section  
21 shall be construed—

22 (1) as requiring coverage for benefits for a particular  
23 type of health care professional;

24 (2) as preventing a group health plan from imposing  
25 higher premiums or cost-sharing on a participant for the  
26 exercise of a point-of-service coverage option; or

27 (3) to require that a group health plan include cov-  
28 erage of health care professionals that the plan excludes be-  
29 cause of fraud, quality of care, or other similar reasons  
30 with respect to such professionals.

31 **SEC. 103. PATIENT ACCESS TO OBSTETRIC AND GYNECO-**  
32 **LOGICAL CARE.**

33 (a) GENERAL RIGHTS.—

34 (1) DIRECT ACCESS.—A group health plan, and health  
35 insurance coverage offered by a health insurance issuer, de-  
36 scribed in subsection (b) may not require authorization or  
37 referral by the primary care provider described in sub-

1 section (b)(2) in the case of a female participant or bene-  
2 ficiary who seeks coverage for obstetric or gynecological  
3 care provided by a participating physician or by a partici-  
4 pating health care professional who specializes in obstetrics  
5 or gynecology and is operating within State licensure and  
6 scope of practice laws.

7 (2) OBSTETRIC AND GYNECOLOGICAL CARE.—Such a  
8 plan or issuer shall treat the provision of obstetric and gyn-  
9 ecological care, and the ordering of related obstetric and  
10 gynecological items and services, pursuant to the direct ac-  
11 cess described under paragraph (1), by a participating phy-  
12 sician or other health care professional who specializes in  
13 obstetrics or gynecology as the authorization of the primary  
14 care provider.

15 (b) APPLICATION OF SECTION.—A group health plan, or  
16 health insurance coverage offered by a health insurance issuer,  
17 described in this subsection is a plan or coverage that—

18 (1) provides coverage for obstetric or gynecological  
19 care; and

20 (2) requires the designation by a participant or bene-  
21 ficiary of a participating primary care provider other than  
22 a physician who specializes in obstetrics or gynecology.

23 (c) RULES OF CONSTRUCTION.—Nothing in this section  
24 shall be construed—

25 (1) to require that a group health plan or health in-  
26 surance issuer approve or provide coverage for—

27 (A) any items or services that are not covered  
28 under the terms and conditions of the group health  
29 plan or the health insurance coverage;

30 (B) any items or services that are not medically  
31 necessary and appropriate; or

32 (C) any items or services that are provided, or-  
33 dered, or otherwise authorized under subsection (a)(2)  
34 by a physician or other health care professional unless  
35 such items or services are related to obstetric or gynec-  
36 ological care;

(2) to preclude a group health plan or health insurance issuer from requiring that the physician or health care professional described in subsection (a) notify the designated primary care professional or case manager of treatment decisions in accordance with a process implemented by the plan, except that the group health plan or issuer shall not impose such a notification requirement on the participant or beneficiary involved in the treatment decision; or

(3) to preclude a group health plan or health insurance issuer from requiring authorization, including prior authorization, for items and services (other than routine items and services) from the physician or health care professional described in subsection (a) who specializes in obstetrics and gynecology if the designated primary care provider of the participant or beneficiary would otherwise be required to obtain authorization for such items or services. For purposes of paragraph (3), routine items and services includes annual, prenatal, and perinatal examinations.

**SEC. 104. ACCESS TO PEDIATRIC CARE.**

(a) PEDIATRIC CARE.—If a group health plan, and a health insurance issuer that offers health insurance coverage, requires or provides for a participant, beneficiary, or enrollee to designate a participating primary care provider for a child of such participant, beneficiary, or enrollee, the plan or issuer shall permit the participant, beneficiary, or enrollee to designate a physician who specializes in pediatrics as the child's primary care provider if such provider participates in the network of the plan or issuer.

(b) RULES OF CONSTRUCTION.—With respect to the child of a participant, beneficiary, or enrollee, nothing in subsection (a) shall be construed to—

(1) require that the participant, beneficiary, or enrollee obtain prior authorization or a referral from a primary care provider in order to obtain pediatric care from a health care professional other than a physician if the provision of pediatric care by such professional is permitted by

1 the plan or issuer and consistent with State licensure,  
2 credentialing, and scope of practice laws and regulations; or

3 (2) preclude the participant, beneficiary, or enrollee  
4 from designating a health care professional other than a  
5 physician as a primary care provider for the child if such  
6 designation is permitted by the plan or issuer and the  
7 treatment by such professional is consistent with State li-  
8 censure, credentialing, and scope of practice laws.

9 **SEC. 105. TIMELY ACCESS TO SPECIALISTS.**

10 (a) TIMELY ACCESS.—

11 (1) IN GENERAL.—A group health plan, or a health  
12 insurance issuer offering health insurance coverage, shall  
13 ensure that participants and beneficiaries receive timely  
14 coverage for access to specialists with respect to the med-  
15 ical condition of the participant or beneficiary, when such  
16 specialty care is a covered benefit under the plan or cov-  
17 erage.

18 (2) RULE OF CONSTRUCTION.—Nothing in paragraph  
19 (1) shall be construed—

20 (A) to require the coverage under a group health  
21 plan or health insurance coverage of benefits or serv-  
22 ices;

23 (B) to prohibit a plan or issuer from including  
24 providers in the network only to the extent necessary  
25 to meet the needs of the plan's participants and bene-  
26 ficiaries;

27 (C) to prohibit a plan or issuer from establishing  
28 measures designed to maintain quality and control  
29 costs consistent with the responsibilities of the plan or  
30 issuer; or

31 (D) to override any State licensure or scope-of-  
32 practice law.

33 (3) ACCESS TO CERTAIN PROVIDERS.—

34 (A) PARTICIPATING PROVIDERS.—Nothing in this  
35 section shall be construed to prohibit a group health  
36 plan or health insurance issuer from requiring that a

1 participant or beneficiary obtain specialty care from a  
2 participating specialist.

3 (B) NONPARTICIPATING PROVIDERS.—

4 (i) IN GENERAL.—With respect to specialty  
5 care under this section, if a group health plan or  
6 health insurance issuer determines that a partici-  
7 pating specialist is not available to provide such  
8 care to the participant or beneficiary, the plan or  
9 issuer shall provide for coverage of such care by a  
10 nonparticipating specialist.

11 (ii) TREATMENT OF NONPARTICIPATING PRO-  
12 VIDERS.—If a group health plan or health insur-  
13 ance issuer refers a participant or beneficiary to a  
14 nonparticipating specialist pursuant to clause (i),  
15 such specialty care shall be provided at no addi-  
16 tional cost to the participant or beneficiary beyond  
17 what the participant or beneficiary would otherwise  
18 pay for such specialty care if provided by a partici-  
19 pating specialist.

20 (b) REFERRALS.—

21 (1) AUTHORIZATION.—Nothing in this section shall be  
22 construed to prohibit a group health plan or health insur-  
23 ance issuer from requiring an authorization in order to ob-  
24 tain coverage for specialty services so long as such author-  
25 ization is for an appropriate duration or number of refer-  
26 rals.

27 (2) REFERRALS FOR ONGOING SPECIAL CONDI-  
28 TIONS.—

29 (A) IN GENERAL.—A group health plan, or a  
30 health insurance issuer offering health insurance cov-  
31 erage, shall permit a participant or beneficiary who has  
32 an ongoing special condition (as defined in subpara-  
33 graph (B)) to receive a referral to a specialist for the  
34 treatment of such condition and such specialist may  
35 authorize such referrals, procedures, tests, and other  
36 medical services with respect to such condition, or co-  
37 ordinate the care for such condition, subject to the

1 terms of a treatment plan referred to in subsection (c)  
2 with respect to the condition.

3 (B) ONGOING SPECIAL CONDITION DEFINED.—In  
4 this subsection, the term “ongoing special condition”  
5 means a condition or disease that—

6 (i) is life-threatening, degenerative, or dis-  
7 abling; and

8 (ii) requires specialized medical care over a  
9 prolonged period of time.

10 (c) TREATMENT PLANS.—

11 (1) IN GENERAL.—Nothing in this section shall be  
12 construed to prohibit a group health plan or health insur-  
13 ance issuer from requiring that specialty care be provided  
14 pursuant to a treatment plan so long as the treatment plan  
15 is—

16 (A) developed by the specialist, in consultation  
17 with the case manager or primary care provider, and  
18 the participant or beneficiary;

19 (B) approved by the plan or issuer in a timely  
20 manner if the plan or issuer requires such approval;  
21 and

22 (C) in accordance with the applicable quality as-  
23 surance and utilization review standards of the plan or  
24 issuer.

25 (2) NOTIFICATION.—Nothing in paragraph (1) shall  
26 be construed as prohibiting a group health plan or health  
27 insurance issuer from requiring the specialist to provide the  
28 plan or issuer with regular updates on the specialty care  
29 provided, as well as all other necessary medical informa-  
30 tion.

31 (d) SPECIALIST DEFINED.—For purposes of this section,  
32 the term “specialist” means, with respect to the medical condi-  
33 tion of the participant or beneficiary, a physician (including an  
34 allopathic or osteopathic physician) or health care professional  
35 who is appropriately credentialed or licensed in 1 or more  
36 States, who has adequate expertise, appropriate training and

1 experience, and routinely treats the diagnosis or condition of  
2 the participant or beneficiary.

3 **SEC. 106. CONTINUITY OF CARE.**

4 (a) **TERMINATION OF PROVIDER.**—If a contract between a  
5 group health plan, and a health insurance issuer that offers  
6 health insurance coverage, as appropriate, and a treating  
7 health care provider is terminated (as defined in paragraph  
8 (e)(4)), or benefits or coverage provided by a health care pro-  
9 vider are terminated because of a change in the terms of pro-  
10 vider participation in such plan or coverage, and an individual  
11 who is a participant, beneficiary or enrollee under such plan or  
12 coverage is undergoing an active course of treatment for a seri-  
13 ous and complex condition, institutional care, pregnancy, or  
14 terminal illness from the provider at the time the plan or issuer  
15 receives or provides notice of such termination, the plan or  
16 issuer shall—

17 (1) notify the individual, or arrange to have the indi-  
18 vidual notified pursuant to subsection (d)(2), on a timely  
19 basis of such termination;

20 (2) provide the individual with an opportunity to no-  
21 tify the plan or issuer of the individual's need for transi-  
22 tional care; and

23 (3) subject to subsection (c), permit the individual to  
24 elect to continue to be covered with respect to the active  
25 course of treatment with the provider's consent during a  
26 transitional period (as provided for under subsection (b)).

27 Nothing in this section shall be construed as preventing a plan  
28 or issuer from providing the notice under paragraph (1) before  
29 the effective date of the provider's termination.

30 (b) **TRANSITIONAL PERIOD.**—

31 (1) **SERIOUS AND COMPLEX CONDITIONS.**—The transi-  
32 tional period under this section with respect to a serious  
33 and complex condition shall extend for up to 90 days from  
34 the date of the notice described in subsection (a)(1) of the  
35 provider's termination.

36 (2) **INSTITUTIONAL OR INPATIENT CARE.**—

(A) IN GENERAL.—The transitional period under this section for institutional or non-elective inpatient care from a provider shall extend until the earlier of—

(i) the expiration of the 90-day period beginning on the date on which the notice described in subsection (a)(1) of the provider's termination is provided; or

(ii) the date of discharge of the individual from such care or the termination of the period of institutionalization.

(B) SCHEDULED CARE.—The 90 day limitation described in subparagraph (A)(i) shall include post-surgical follow-up care relating to non-elective surgery that has been scheduled before the date of the notice of the termination of the provider under subsection (a)(1).

(3) PREGNANCY.—If—

(A) a participant, beneficiary, or enrollee was pregnant at the time of a provider's termination of participation; and

(B) the provider was treating the pregnancy before the date of the termination;  
the transitional period under this subsection with respect to provider's treatment of the pregnancy shall extend through the provision of post-partum care directly related to the delivery.

(4) TERMINAL ILLNESS.—If—

(A) a participant, beneficiary, or enrollee was determined to be terminally ill (as determined under section 1861(dd)(3)(A) of the Social Security Act) at the time of a provider's termination of participation; and

(B) the provider was treating the terminal illness before the date of termination;  
the transitional period under this subsection shall extend for the remainder of the individual's life for care that is directly related to the treatment of the terminal illness.

(c) PERMISSIBLE TERMS AND CONDITIONS.—A group health plan, and a health insurance issuer that offers health in-

1 surance coverage, may condition coverage of continued treat-  
2 ment by a provider under this section upon the provider agree-  
3 ing, in advance in writing, to the following:

4 (1) The treating health care provider agrees to accept  
5 reimbursement from the plan or issuer and individual in-  
6 volved (with respect to cost-sharing) at the rates applicable  
7 prior to the start of the transitional period as payment in  
8 full (or at the rates applicable under the replacement plan  
9 after the date of the termination of the contract with the  
10 plan or issuer) and not to impose cost-sharing with respect  
11 to the individual in an amount that would exceed the cost-  
12 sharing that could have been imposed if the contract re-  
13 ferred to in this section had not been terminated (or, if ap-  
14 plicable, at the cost-sharing applicable under the replace-  
15 ment plan).

16 (2) The treating health care provider agrees to adhere  
17 to the quality assurance standards of the plan or issuer re-  
18 sponsible for payment under paragraph (1) and to provide  
19 to such plan or issuer necessary medical information re-  
20 lated to the care provided.

21 (3) The treating health care provider agrees otherwise  
22 to adhere to such plan's or issuer's policies and procedures,  
23 including procedures regarding referrals and obtaining  
24 prior authorization and providing services pursuant to a  
25 treatment plan (if any) approved by the plan or issuer.

26 (d) RULES OF CONSTRUCTION.—Nothing in this section  
27 shall be construed—

26 basis of such license or certification.

27 (b) CONSTRUCTION.—Subsection (a) shall not be  
28 construed—

29 (1) as requiring the coverage under a group health

31 service or to prohibit a plan or issuer from including pro-  
32 viders only to the extent necessary to meet the needs of the

“(ii) USE OF APPROPRIATE PERSONNEL.—A qualified external review entity shall use appropriately qualified personnel to make determinations under this section.

“(D) NOTICES AND GENERAL TIMELINES FOR DETERMINATION.—

“(i) NOTICE IN CASE OF DENIAL OF REFERRAL.—If the entity under this paragraph does not make a referral to an independent medical reviewer, the entity shall provide notice to the plan or issuer, the participant or beneficiary (or authorized representative) filing the request, and the treating health care professional (if any) that the denial is not subject to independent medical review. Such notice—

“(I) shall be written (and, in addition, may be provided orally) in a manner calculated to be understood by an average participant;

“(II) shall include the reasons for the termination; and

“(III) include any relevant terms and conditions of the plan or coverage.

“(ii) GENERAL TIMELINE FOR DETERMINATIONS.—Upon receipt of information under paragraph (2), the qualified external review entity, and if required the independent medical reviewer, shall make a determination within the overall timeline that is applicable to the case under review as described in subsection (e), except that if the entity determines that a referral to an independent medical reviewer is not required, the entity shall provide notice of such determination to the participant

1 or beneficiary (or authorized representative) within  
2 2 days of such determination.

3 “(d) INDEPENDENT MEDICAL REVIEW.—

4 “(1) IN GENERAL.—If a qualified external review enti-  
5 ty determines under subsection (c) that a denial of a claim  
6 for benefits is eligible for independent medical review, the  
7 entity shall refer the denial involved to an independent  
8 medical reviewer for the conduct of an independent medical  
9 review under this subsection.

10 “(2) MEDICALLY REVIEWABLE DETERMINATIONS.—

11 For purposes of this section, a denial of a claim for benef-  
12 its is a medically reviewable determination if the benefit  
13 the item or service with respect to which the determination  
14 is made would be a covered benefit under the terms and  
15 conditions of the plan or coverage but for one (or more) of  
16 the following determinations:

17 “(A) DENIALS BASED ON MEDICAL NECESSITY  
18 AND APPROPRIATENESS.—The basis of the determina-  
19 tion is that the item or service is not medically nec-  
20 essary and appropriate.

21 “(B) DENIALS BASED ON EXPERIMENTAL OR IN-  
22 VESTIGATIONAL TREATMENT.—The basis of the deter-  
23 mination is that the item or service is experimental or  
24 investigational.

25 “(C) DENIALS OTHERWISE BASED ON AN EVALUA-  
26 TION OF MEDICAL FACTS.—A determination that the  
27 item or service or condition is not covered but an eval-  
28 uation of the medical facts by a health care profes-  
29 sional in the specific case involved is necessary to deter-  
30 mine whether the item or service or condition is re-  
31 quired to be provided under the terms and conditions  
32 of the plan or coverage.

33 “(3) INDEPENDENT MEDICAL REVIEW DETERMINA-  
34 TION.—

35 “(A) IN GENERAL.—An independent medical re-  
36 viewer under this section shall make a new independent  
37 determination with respect to—

1 “(i) whether the item or service or condition  
2 that is the subject of the denial is covered under  
3 the terms and conditions of the plan or coverage;  
4 and

5 “(ii) based upon an affirmative determination  
6 under clause (i), whether or not the denial of a  
7 claim for a benefit that is the subject of the review  
8 should be upheld or reversed.

9 “(B) STANDARD FOR DETERMINATION.—The  
10 independent medical reviewer’s determination relating  
11 to the medical necessity and appropriateness, or the ex-  
12 perimental or investigation nature, or the evaluation of  
13 the medical facts of the item, service, or condition shall  
14 be based on the medical condition of the participant or  
15 beneficiary (including the medical records of the partic-  
16 ipant or beneficiary) and the valid, relevant scientific  
17 evidence and clinical evidence. The independent medical  
18 reviewer may consider peer-reviewed medical literature  
19 or findings and peer-reviewed expert opinions and ex-  
20 pert consensus. In determining the medical necessity  
21 and appropriateness of any item or service for which a  
22 claim for benefits is denied, the independent medical  
23 reviewer shall consider the effectiveness of the alter-  
24 native items and services, if any, for which benefits  
25 were authorized by the plan or issuer involved for the  
26 participant or beneficiary.

27 “(C) NO COVERAGE FOR EXCLUDED BENEFITS.—  
28 Nothing in this subsection shall be construed to permit  
29 an independent medical reviewer to require that a  
30 group health plan, or health insurance issuer that of-  
31 fers health insurance coverage in connection with a  
32 group health plan, provide coverage for items or serv-  
33 ices that are specifically excluded or expressly limited  
34 under the plan or coverage and that are not covered re-  
35 gardless of any determination relating to medical neces-  
36 sity and appropriateness, experimental or investiga-

1 tional nature of the treatment, or an evaluation of the  
2 medical facts in the case involved.

3 “(D) EVIDENCE AND INFORMATION TO BE USED  
4 IN MEDICAL REVIEWS.—In making a determination  
5 under this subsection, the independent medical reviewer  
6 shall also consider appropriate and available evidence  
7 and information, including the following:

8 “(i) The determination made by the plan or  
9 issuer with respect to the claim upon internal re-  
10 view and the evidence or guidelines used by the  
11 plan or issuer in reaching such determination.

12 “(ii) The recommendation of the treating  
13 health care professional and the evidence, guide-  
14 lines, and rationale used by the treating health care  
15 professional in reaching such recommendation.

16 “(iii) Additional evidence or information ob-  
17 tained by the reviewer or submitted by the plan,  
18 issuer, participant or beneficiary (or an authorized  
19 representative), or treating health care professional.

20 “(iv) The plan or coverage document.

21 “(E) INDEPENDENT DETERMINATION.—In making  
22 the determination, the independent medical reviewer  
23 shall—

24 “(i) consider the claim under review without  
25 deference to the determinations made by the plan  
26 or issuer under section 503A or the recommenda-  
27 tion of the treating health care professional (if  
28 any); and

29 “(ii) consider, but not be bound by the defini-  
30 tion used by the plan or issuer of ‘medically nec-  
31 essary and appropriate’, or ‘experimental or inves-  
32 tigational’, or other equivalent terms that are used  
33 by the plan or issuer to describe medical necessity  
34 and appropriateness or experimental or investiga-  
35 tional nature of the treatment.

36 “(F) DETERMINATION OF INDEPENDENT MEDICAL  
37 REVIEWER.—An independent medical reviewer shall, in

1 accordance with the deadlines described in subsection  
2 (e), prepare a written determination to uphold or re-  
3 verse the denial under review and, in the case of a re-  
4 versal, the timeframe within which the plan or issuer  
5 shall authorize coverage to comply with the determina-  
6 tion. Such written determination shall include the spe-  
7 cific reasons of the reviewer for such determination, in-  
8 cluding a summary of the clinical or scientific-evidence  
9 based rationale used in making the determination. The  
10 reviewer may provide the plan or issuer and the treat-  
11 ing health care professional with additional rec-  
12 ommendations in connection with such a determination,  
13 but any such recommendations shall not be treated as  
14 part of the determination and shall not be admissible  
15 in any action under section 502.

16 “(e) TIMELINES AND NOTIFICATIONS.—

17 “(1) TIMELINES FOR INDEPENDENT MEDICAL RE-  
18 VIEW.—

19 “(A) PRIOR AUTHORIZATION DETERMINATION.—

20 “(i) IN GENERAL.—The independent medical  
21 reviewer (or reviewers) shall make a determination  
22 on a denial of a claim for benefits that is referred  
23 to the reviewer under subsection (c)(3) not later  
24 than 14 days after the receipt of information under  
25 subsection (c)(2) if the review involves a prior au-  
26 thorization of items or services.

27 “(ii) EXPEDITED DETERMINATION.—Notwith-  
28 standing clause (i), the independent medical re-  
29 viewer (or reviewers) shall make an expedited de-  
30 termination on a denial of a claim for benefits de-  
31 scribed in clause (i), when a request for such an ex-  
32 pedited determination is made by a participant or  
33 beneficiary (or authorized representative) at any  
34 time during the process for making a determina-  
35 tion, and the treating health care professional sub-  
36 stantiates, with the request, that a determination  
37 under the timeline described in clause (i) would se-

1 riously jeopardize the life or health of the partici-  
2 pant or beneficiary. Such determination shall be  
3 made not later than 72 hours after the receipt of  
4 information under subsection (c)(2).

5 “(iii) CONCURRENT DETERMINATION.—Not-  
6 withstanding clause (i), a review described in such  
7 subclause shall be completed not later than 24  
8 hours after the receipt of information under sub-  
9 section (c)(2) if the review involves a discontinu-  
10 ation of inpatient care.

11 “(B) RETROSPECTIVE DETERMINATION.—The  
12 independent medical reviewer (or reviewers) shall com-  
13 plete a review in the case of a retrospective determina-  
14 tion on an appeal of a denial of a claim for benefits  
15 that is referred to the reviewer under subsection (c)(3)  
16 not later than 30 days after the receipt of information  
17 under subsection (c)(2).

18 “(2) NOTIFICATION OF DETERMINATION.—The exter-  
19 nal review entity shall ensure that the plan or issuer, the  
20 participant or beneficiary (or authorized representative)  
21 and the treating health care professional (if any) receives  
22 a copy of the written determination of the independent  
23 medical reviewer prepared under subsection (d)(3)(F).  
24 Nothing in this paragraph shall be construed as preventing  
25 an entity or reviewer from providing an initial oral notice  
26 of the reviewer’s determination.

27 “(3) FORM OF NOTICES.—Determinations and notices  
28 under this subsection shall be written in a manner cal-  
29 culated to be understood by an average participant.

30 “(4) TERMINATION OF EXTERNAL REVIEW PROCESS IF  
31 APPROVAL OF A CLAIM FOR BENEFITS DURING PROCESS.—

32 “(A) IN GENERAL.—If a plan or issuer—

33 “(i) reverses a determination on a denial of a  
34 claim for benefits that is the subject of an external  
35 review under this section and authorizes coverage  
36 for the claim or provides payment of the claim; and

1 “(ii) provides notice of such reversal to the  
2 participant or beneficiary (or authorized represent-  
3 ative) and the treating health care professional (if  
4 any), and the external review entity responsible for  
5 such review,

6 the external review process shall be terminated with re-  
7 spect to such denial and any filing fee paid under sub-  
8 section (b)(2)(A)(iv) shall be refunded.

9 “(B) TREATMENT OF TERMINATION.—An author-  
10 ization of coverage under subparagraph (A) by the plan  
11 or issuer shall be treated as a written determination to  
12 reverse a denial under section (d)(3)(F) for purposes of  
13 liability under section 502(n)(1)(B).

14 “(f) COMPLIANCE.—

15 “(1) APPLICATION OF DETERMINATIONS.—

16 “(A) EXTERNAL REVIEW DETERMINATIONS BIND-  
17 ING ON PLAN.—The determinations of an external re-  
18 view entity and an independent medical reviewer under  
19 this section shall be binding upon the plan or issuer in-  
20 volved.

21 “(B) COMPLIANCE WITH DETERMINATION.—If the  
22 determination of an independent medical reviewer is to  
23 reverse the denial, the plan or issuer, upon the receipt  
24 of such determination, shall authorize coverage to com-  
25 ply with the medical reviewer’s determination in accord-  
26 ance with the timeframe established by the medical re-  
27 viewer under subsection (d)(3)(F).

28 “(2) FAILURE TO COMPLY.—

29 “(A) WITH TIMEFRAME FOR PROVIDING ITEMS  
30 AND SERVICES.—If a plan or issuer fails to comply  
31 with the timeframe established under paragraph (1)(B)  
32 with respect to a participant or beneficiary, where such  
33 failure to comply is caused by the plan or issuer, the  
34 participant or beneficiary may obtain the items or serv-  
35 ices involved (in a manner consistent with the deter-  
36 mination of the independent external reviewer) from

1 any provider regardless of whether such provider is a  
2 participating provider under the plan or coverage.

3 “(B) REIMBURSEMENT.—

4 “(i) IN GENERAL.—Where a participant or  
5 beneficiary obtains items or services in accordance  
6 with subparagraph (A), the plan or issuer involved  
7 shall provide for reimbursement of the costs of  
8 such items or services. Such reimbursement shall  
9 be made to the treating health care professional or  
10 to the participant or beneficiary (in the case of a  
11 participant or beneficiary who pays for the costs of  
12 such items or services).

13 “(ii) AMOUNT.—The plan or issuer shall fully  
14 reimburse a professional, participant or beneficiary  
15 under clause (i) for the total costs of the items or  
16 services provided (regardless of any plan limitations  
17 that may apply to the coverage of such items or  
18 services) so long as—

19 “(I) the items or services would have been  
20 covered under the terms of the plan or coverage  
21 if provided by the plan or issuer; and

22 “(II) the items or services were provided  
23 in a manner consistent with the determination  
24 of the independent medical reviewer.

25 “(C) FAILURE TO REIMBURSE.—Where a plan or  
26 issuer fails to provide reimbursement to a professional,  
27 participant or beneficiary in accordance with this para-  
28 graph, the professional, participant or beneficiary may  
29 commence a civil action (or utilize other remedies avail-  
30 able under law) to recover only the amount of any such  
31 reimbursement that is unpaid and any necessary legal  
32 costs or expenses (including attorneys’ fees) incurred in  
33 recovering such reimbursement.

34 “(g) QUALIFICATIONS OF INDEPENDENT MEDICAL RE-  
35 VIEWERS.—

36 “(1) IN GENERAL.—In referring a denial to 1 or more  
37 individuals to conduct independent medical review under

subsection (c), the qualified external review entity shall ensure that—

“(A) each independent medical reviewer meets the qualifications described in paragraphs (2) and (3);

“(B) with respect to each review at least 1 such reviewer meets the requirements described in paragraphs (4) and (5); and

“(C) compensation provided by the entity to the reviewer is consistent with paragraph (6).

“(2) LICENSURE AND EXPERTISE.—

“(A) IN GENERAL.—Subject to subparagraph (B), each independent medical reviewer shall be a physician (who is an allopathic or osteopathic physician) or health care professional who—

“(i) is appropriately credentialed or licensed in 1 or more States to deliver health care services; and

“(ii) typically treats the diagnosis or condition or provides the type of treatment under review.

“(B) PHYSICIAN REVIEW.—In referring a denial for independent medical review under subsection (c), the qualified external review entity shall ensure that, in the case of the review of treatment that is recommended or provided by a physician, such referral may be made only to a physician for such independent medical review.

“(3) INDEPENDENCE.—

“(A) IN GENERAL.—Subject to subparagraph (B), each independent medical reviewer in a case shall—

“(i) not be a related party (as defined in paragraph (7));

“(ii) not have a material familial, financial, or professional relationship with such a party; and

“(iii) not otherwise have a conflict of interest with such a party (as determined under regulations).

1 “(B) EXCEPTION.—Nothing in this subparagraph  
2 (A) shall be construed to—

3 “(i) prohibit an individual, solely on the basis  
4 of affiliation with the plan or issuer, from serving  
5 as an independent medical reviewer if—

6 “(I) a non-affiliated individual is not rea-  
7 sonably available;

8 “(II) the affiliated individual is not in-  
9 volved in the provision of items or services in  
10 the case under review;

11 “(III) the fact of such an affiliation is dis-  
12 closed to the plan or issuer and the participant  
13 or beneficiary (or authorized representative)  
14 and neither party objects; and

15 “(IV) the affiliated individual is not an  
16 employee of the plan or issuer and does not  
17 provide services exclusively or primarily to or  
18 on behalf of the plan or issuer;

19 “(ii) prohibit an individual who has staff privi-  
20 leges at the institution where the treatment in-  
21 volved takes place from serving as an independent  
22 medical reviewer if the affiliation is disclosed to the  
23 plan or issuer and the participant or beneficiary (or  
24 authorized representative), and neither party ob-  
25 jects; or

26 “(iii) prohibit receipt of compensation by an  
27 independent medical reviewer from an entity if the  
28 compensation is provided consistent with paragraph  
29 (6).

30 “(4) PRACTICING HEALTH CARE PROFESSIONAL IN  
31 SAME FIELD.—

32 “(A) IN GENERAL.—The requirement of this para-  
33 graph with respect to a reviewer in a case involving  
34 treatment, or the provision of items or services, by—

35 “(i) a physician, is that the reviewer be a  
36 practicing physician of the same or similar spe-  
37 cialty as a physician who typically treats the diag-

1           nosis or condition or provides such treatment in the  
2           case under review; or

3           “(ii) a health care professional (other than a  
4           physician), is that the reviewer be a practicing phy-  
5           sician or, if determined appropriate by the qualified  
6           external review entity, a health care professional  
7           (other than a physician), of the same or similar  
8           specialty as the health care professional who typi-  
9           cally treats the diagnosis or condition or provides  
10          the treatment in the case under review.

11          “(B) PRACTICING DEFINED.—For purposes of  
12          this paragraph, the term ‘practicing’ means, with  
13          respect to an individual who is a physician or other  
14          health care professional that the individual provides  
15          health care services to individual patients on aver-  
16          age at least 2 days per week.

17          “(5) PEDIATRIC EXPERTISE.—The independent med-  
18          ical reviewer shall have pediatric expertise under paragraph  
19          (2) where necessary to evaluate the relevant conditions for  
20          the participant or beneficiary involved.

21          “(6) LIMITATIONS ON REVIEWER COMPENSATION.—  
22          Compensation provided by a qualified external review entity  
23          to an independent medical reviewer in connection with a re-  
24          view under this section shall—

25                 “(A) not exceed a reasonable level; and

26                 “(B) not be contingent on the determination ren-  
27                 dered by the reviewer.

28          “(7) RELATED PARTY DEFINED.—For purposes of this  
29          section, the term ‘related party’ means, with respect to a

31          participant or beneficiary, any of the following:

32                 “(A) The plan, plan sponsor, or issuer involved, or

12 “(1) SELECTION OF QUALIFIED EXTERNAL REVIEW  
13 ENTITIES.—

14 “(A) LIMITATION ON PLAN OR ISSUER SELEC-  
15 TION.—The Secretary shall implement procedures with  
16 respect to the selection of qualified external review enti-  
17 ties by a plan or issuer to assure that the selection  
18 process among qualified external review entities will not  
19 create any incentives for external review entities to  
20 make a determination in a biased manner. No such se-  
21 lection process under the procedures implemented by  
22 the Secretary may give either the patient or the plan  
23 or issuer any ability to determine or influence the selec-  
24 tion of a qualified external review entity to review the  
25 case of any participant or beneficiary.

26 “(B) STATE AUTHORITY WITH RESPECT TO QUALI-  
27 FIED EXTERNAL REVIEW ENTITIES FOR HEALTH IN-  
28 SURANCE ISSUERS.—With respect to health insurance  
29 issuers offering health insurance coverage in a State,  
30 the State may provide for the designation or selection  
31 of qualified external review entities in a manner deter-  
32 mined by the State to assure an unbiased determina-  
33 tion in conducting external review activities. In con-  
34 ducting reviews under this section, an entity designated  
35 or selected under this subparagraph shall comply with  
36 provisions of this section.

1 “(2) CONTRACT WITH QUALIFIED EXTERNAL REVIEW  
2 ENTITY.—Except as provided in paragraph (1)(B), the ex-  
3 ternal review process of a plan or issuer under this section  
4 shall be conducted under a contract between the plan or  
5 issuer and 1 or more qualified external review entities (as  
6 defined in paragraph (4)(A)).

7 “(3) TERMS AND CONDITIONS OF CONTRACT.—The  
8 terms and conditions of a contract under paragraph (2)  
9 shall—

10 “(A) be consistent with the standards the Sec-  
11 retary shall establish to assure there is no real or ap-  
12 parent conflict of interest in the conduct of external re-  
13 view activities; and

14 “(B) provide that the costs of the external review  
15 process shall be borne by the plan or issuer.

16 Subparagraph (B) shall not be construed as applying to the  
17 imposition of a filing fee under subsection (b)(2)(A)(iv) or  
18 costs incurred by the participant or beneficiary (or author-  
19 ized representative) or treating health care professional (if  
20 any) in support of the review, including the provision of ad-  
21 ditional evidence or information.

22 “(4) QUALIFICATIONS.—

23 “(A) IN GENERAL.—In this section, the term  
24 ‘qualified external review entity’ means, in relation to

26 periodically recertified) under subparagraph (C) as  
27 meeting the following requirements:

28 “(i) The entity has (directly or through con-  
29 tracts or other arrangements) sufficient medical,  
30 legal, and other expertise and sufficient staffing to  
31 carry out duties of a qualified external review enti-

34 and providing for independent medical reviews  
35 under subsection (d).

36 “(ii) The entity is not a plan or issuer or an  
37 affiliate or a subsidiary of a plan or issuer, and is

1 not an affiliate or subsidiary of a professional or  
2 trade association of plans or issuers or of health  
3 care providers.

4 “(iii) The entity has provided assurances that  
5 it will conduct external review activities consistent  
6 with the applicable requirements of this section and  
7 standards specified in subparagraph (C), including  
8 that it will not conduct any external review activi-  
9 ties in a case unless the independence requirements  
10 of subparagraph (B) are met with respect to the  
11 case.

12 “(iv) The entity has provided assurances that  
13 it will provide information in a timely manner  
14 under subparagraph (D).

16 as the Secretary provides by regulation.

17 “(B) INDEPENDENCE REQUIREMENTS.—

18 “(i) IN GENERAL.—Subject to clause (ii), an  
19 entity meets the independence requirements of this  
20 subparagraph with respect to any case if the  
21 entity—

22 “(I) is not a related party (as defined in  
23 subsection (g)(7));

24 “(II) does not have a material familial, fi-  
25 nancial, or professional relationship with such a  
26 party; and

27 “(III) does not otherwise have a conflict of  
28 interest with such a party (as determined  
29 under regulations).

30 “(ii) EXCEPTION FOR REASONABLE COM-  
31 PENSATION.—Nothing in clause (i) shall be con-  
32 strued to prohibit receipt by a qualified external re-  
33 view entity of compensation from a plan or issuer  
34 for the conduct of external review activities under  
35 this section if the compensation is provided con-  
36 sistent with clause (iii).

1 “(iii) LIMITATIONS ON ENTITY COMPENSA-  
2 TION.—Compensation provided by a plan or issuer  
3 to, or charged by, a qualified external review entity  
4 in connection with reviews under this section  
5 shall—

6 “(I) not exceed a reasonable level; and

7 “(II) not be contingent on the determina-  
8 tion rendered by the entity or by any inde-  
9 pendent medical reviewer.

10 “(C) CERTIFICATION AND RECERTIFICATION  
11 PROCESS.—

12 “(i) IN GENERAL.—The initial certification  
13 and recertification of a qualified external review en-

15 “(I) under a process that is recognized or  
16 approved by the Secretary; or

17 “(II) by a qualified private standard-set-  
18 ting organization that is approved by the Sec-  
19 retary under clause (iii).

20 The Secretary shall promulgate regulations setting  
21 forth the process described in subclause (I).

22 “(ii) PROCESS.—The Secretary shall not rec-  
23 ognize or approve a process under clause (i)(I) un-  
24 less the process applies standards (as promulgated  
25 in regulations) that ensure that a qualified external  
26 review entity—

27 “(I) will carry out (and has carried out, in  
28 the case of recertification) the responsibilities  
29 of such an entity in accordance with this sec-  
30 tion, including meeting applicable deadlines;

31 “(II) will meet (and has met, in the case  
32 of recertification) appropriate indicators of fis-  
33 cal integrity;

34 “(III) will maintain (and has maintained,  
35 in the case of recertification) appropriate con-  
36 fidentiality with respect to individually identifi-

1           able health information obtained in the course  
2           of conducting external review activities; and

pendent medical reviewer to reverse such final determination has been issued with respect to such review, or

“(ii) the qualified external review entity has determined under section 503B(c)(3) that a referral to an independent medical reviewer is not required.

“(B) INJUNCTIVE RELIEF FOR IRREPARABLE HARM.—A participant or beneficiary may seek relief under subsection 502(a)(1)(B) prior to the exhaustion of administrative remedies under section 503A(b) or 503B (as required under subparagraph (A)) if it is demonstrated to the court, by a preponderance of the evidence, that the exhaustion of such remedies would cause irreparable harm to the health of the participant or beneficiary. Any determinations that already have been made under section 503A or 503B in such case, or that are made in such case while an action under this subparagraph is pending, shall be given due consideration by the court in any action under this subsection in such case. Notwithstanding the awarding of relief under subsection 502(a)(1)(B) pursuant to this subparagraph, no relief shall be available under—

“(i) paragraph (1), with respect to a participant or beneficiary, unless the requirements of subparagraph (A) are met; or

“(ii) subsection (q) unless the requirements of such subsection are met.

“(4) LIMITATIONS ON RECOVERY OF DAMAGES.—

“(A) MAXIMUM AWARD OF NONECONOMIC DAMAGES.—The aggregate amount of liability for noneconomic loss in an action under paragraph (1) may not exceed \$500,000.

“(B) SEVERAL LIABILITY.—In the case of any action commenced pursuant to paragraph (1), the designated decisionmaker shall be liable only for the amount of damages attributable to such designated de-

1 cisionmaker in direct proportion to such decision-  
2 maker's share of fault or responsibility for the injury  
3 suffered by the participant or beneficiary. In all such  
4 cases, the liability of a designated decisionmaker for  
5 damages shall be several and not joint.

6 “(C) PROHIBITION OF AWARD OF PUNITIVE DAM-  
7 AGES.—Notwithstanding any other provision of law, in  
8 the case of any action commenced pursuant to para-  
9 graph (1), the court may not award any punitive, exem-  
10 plary, or similar damages against a defendant.

11 “(5) AFFIRMATIVE DEFENSES.—In the case of any  
12 cause of action under paragraph (1), it shall be an affirma-  
13 tive defense that—

14 “(A) the designated decisionmaker of a group  
15 health plan, or health insurance issuer that offers  
16 health insurance coverage in connection with a group  
17 health plan, involved did not receive from the partici-  
18 pant or beneficiary (or authorized representative) or  
19 the treating health care professional (if any), the infor-  
20 mation requested by the plan or issuer regarding the  
21 medical condition of the participant or beneficiary that  
22 was necessary to make a determination on a claim for  
23 benefits under section 503A(a) or a final determination  
24 on a claim for benefits under section 503A(b);

25 “(B) the participant or beneficiary (or authorized  
26 representative) or treating health care professional—

27 “(i) was in possession of facts that were suffi-  
28 cient to enable the participant or beneficiary (or  
29 authorized representative) to know that an expedited review under section 503A or 503B would  
30 have prevented the harm that is the subject of the  
31 action; and

32 “(ii) failed to notify the plan or issuer of the  
33 need for such an expedited review; or

34 “(C) the qualified external review entity or an  
35 independent medical reviewer failed to meet the  
36

1 timelines applicable under section 503B, or a period of  
2 time elapsing after coverage has been authorized.

3 Nothing in this paragraph shall be construed to limit the  
4 application of any other affirmative defense that may be  
5 applicable to the cause of action involved.

6 “(6) WAIVER OF INTERNAL REVIEW.—In the case of  
7 any cause of action under paragraph (1), the waiver or  
8 nonwaiver of internal review under section 503A(b)(1)(D)  
9 by the group health plan, or health insurance issuer that  
10 offers health insurance coverage in connection with a group  
11 health plan, shall not be used in determining liability.

12 “(7) LIMITATIONS ON ACTIONS.—Paragraph (1) shall  
13 not apply in connection with any action that is commenced  
14 more than 5 years after the date on which the failure de-  
15 scribed in such paragraph occurred or, if earlier, not later  
16 than 2 years after the first date the participant or bene-  
17 ficiary became aware of the substantial harm referred to in  
18 such paragraph.

19 “(8) EXCLUSION OF DIRECTED RECORDKEEPERS.—

20 “(A) IN GENERAL.—Paragraph (1) shall not apply  
21 with respect to a directed record keeper in connection  
22 with a group health plan.

23 “(B) DIRECTED RECORDKEEPER.—For purposes  
24 of this paragraph, the term ‘directed record keeper’  
25 means, in connection with a group health plan, a per-  
26 son engaged in directed record keeping activities pursu-  
27 ant to the instructions of the plan, the employer, or an-  
28 other plan sponsor, including the distribution of enroll-  
29 ment information and distribution of disclosure mate-  
30 rials under this Act or the Public Health Service Act  
31 and whose duties do not include making determinations  
32 on claims for benefits.

33 “(9) PROTECTION OF THE REGULATION OF QUALITY  
34 OF MEDICAL CARE UNDER STATE LAW.—Nothing in this  
35 subsection shall be construed to preclude any action under  
36 State law against a person or entity for liability or vicari-  
37 ous liability with respect to the delivery of medical care. A

1 claim that is based on or otherwise relates to a group  
2 health plan's administration or determination of a claim for  
3 benefits (as such term is defined in section 503B(i)(2) and  
4 notwithstanding the definition contained in paragraph  
5 (14)(B)) shall not be deemed to be the delivery of medical  
6 care under any State law for purposes of this section. Any  
7 such claim shall be maintained exclusively under section  
8 502. Nothing in this paragraph shall be construed as af-  
9 fecting any action under State law that is permitted under  
10 section 514(c).

11 “(10) COORDINATION WITH FIDUCIARY REQUIRE-  
12 MENTS.—A fiduciary shall not be treated as failing to meet  
13 any requirement of part 4 solely by reason of any action  
14 taken by a fiduciary which consists of full compliance with  
15 the reversal under section 503B (relating to independent  
16 external appeals procedures for group health plans) of a de-  
17 nial of claim for benefits (within the meaning of section  
18 503B(i)(2)).

19 “(11) CONSTRUCTION.—Nothing in this subsection  
20 shall be construed as authorizing a cause of action under  
21 paragraph (1) for the failure of a group health plan or  
22 health insurance issuer to provide an item or service that  
23 is specifically excluded under the plan or coverage.

24 “(12) LIMITATION ON CLASS ACTION LITIGATION.—A  
25 claim or cause of action under this subsection may not be  
26 maintained as a class action, as a derivative action, or as  
27 an action on behalf of any group of 2 or more claimants.

28 “(13) PREVENTION OF DUPLICATION OF ACTION WITH  
29 ACTION UNDER STATE LAW.—No action may be brought  
30 under this subsection based upon facts and circumstances  
31 if a cause of action under State law (that is permitted  
32 under section 514 only because of the application of sub-  
33 section (c) of such section) is brought based upon the same  
34 facts and circumstances.

35 “(14) DEFINITIONS AND RELATED RULES.—For pur-  
36 poses of this subsection:

2 ‘authorized representative’ has the meaning given such  
3 term in section 503B(i).

16 “(E) HEALTH INSURANCE ISSUER.—The term  
17 ‘health insurance issuer’ has the meaning given such  
18 term in section 733(b)(2).

19 “(F) ORDINARY CARE.—The term ‘ordinary care’  
20 means the care, skill, prudence, and diligence under the  
21 circumstances then prevailing that a prudent individual  
22 acting in a like capacity and familiar with such matters  
23 would use in making a determination on a claim for  
24 benefits of a similar character.

25 “(G) SUBSTANTIAL HARM.—The term ‘substantial  
26 harm’ means the loss of life, loss or significant impair-  
27 ment of limb or bodily function, significant mental ill-  
28 ness or disease, significant disfigurement, or severe and  
29 chronic physical pain.

30 “(H) TREATMENT OF EXCEPTED BENEFITS.—The  
31 provisions of this subsection shall not apply to excepted  
32 benefits (as defined in section 733(c)), other than bene-  
33 fits described in section 733(c)(2)(A), in the same man-  
34 ner as the provisions of part 7 do not apply to such

36 (b) CONFORMING AMENDMENT.—Section 502(a)(1)(A) of  
37 the Employee Retirement Income Security Act of 1974 (29

1 U.S.C. 1132(a)(1)(A)) is amended by inserting “or (n)” after

14 subsection:

15 “(c) TREATMENT OF STATE CAUSES OF ACTION WITH  
16 RESPECT TO CERTAIN CLAIMS DENIALS BY GROUP HEALTH  
17 PLANS.—

18 “(1) IN GENERAL.—Notwithstanding the preceding  
19 provisions of this section, a cause of action by a participant  
20 or beneficiary under a group health plan against the appli-  
21 cable designated decisionmaker (within the meaning of sec-  
22 tion 502(o)) under State law is not superseded by the pro-

37 in compliance with such written determination.

“(3) PREVENTION OF DUPLICATION OF ACTION WITH ACTION UNDER FEDERAL LAW.—Paragraph (1) shall not apply, in relation to a cause of action under State law based upon facts and circumstances, if a cause of action is brought under section 502(n) based upon the same facts and circumstances.

1 claimant, or the group of claimants is limited to the partici-  
2 pants or beneficiaries of a group health plan established by  
3 only 1 plan sponsor. No action maintained by such class, such  
4 derivative claimant, or such group of claimants may be joined  
5 in the same proceeding with any action maintained by another  
6 class, derivative claimant, or group of claimants or consolidated  
7 for any purpose with any other proceeding. In this paragraph,  
8 the terms ‘group health plan’ and ‘health insurance coverage’  
9 have the meanings given such terms in section 733.”.

10 (2) EFFECTIVE DATE.—The amendment made by

13 preceding sentence, with respect to class actions, the  
14 amendment made by paragraph (1) shall apply with respect  
15 to civil actions which are pending on such date in which a

## Subtitle E—State Flexibility

### SEC. 151. STATE FLEXIBILITY IN APPLYING REQUIREMENTS TO HEALTH INSURANCE ISSUERS AND NON-FEDERAL GOVERNMENTAL GROUP HEALTH PLANS.

(a) NONAPPLICATION OF CERTAIN FEDERAL REQUIREMENTS IN CASE OF QUALIFIED STATE REGULATION.—

(1) IN GENERAL.—

(A) QUALIFIED STATE PATIENT PROTECTIONS.—A patient protection requirement shall not apply with respect to health insurance coverage (and to a group health plan insofar as it provides benefits in the form of health insurance coverage) if there is a State law (as defined in subsection (c)) that regulates such coverage and that is substantially equivalent (as provided under paragraph (2) or (4)) to such requirement.

(B) INTERNAL AND EXTERNAL APPEALS.—The requirements of section 503A or 503B of the Employee Retirement Income Security Act of 1974 shall not apply with respect to individual health insurance coverage or to a non-Federal governmental group health plan if there is a State law that regulates such coverage or plan and that is substantially equivalent (as provided under paragraph (2) or (4)) to the section.

(C) PATIENT PROTECTION REQUIREMENT DEFINED.—For purposes of this section, the term “patient protection requirement” means any one or more requirements under the following:

(i) Section 101 (relating to access to emergency care).

(ii) Section 102 (relating to consumer choice option) with respect to non-Federal governmental plans only.

(iii) Section 103 (relating to patient access to obstetric and gynecological care).

(iv) Section 104 (relating to access to pediatric care).

(v) Section 105 (relating to timely access to specialists).

(vi) Section 106 (relating to continuity of care), but only insofar as a replacement issuer assumes the obligation for continuity of care.

(vii) Section 108 (relating to access to needed prescription drugs).

(viii) Section 109 (relating to coverage for individuals participating in approved clinical trials).

(ix) A prohibition under—

(I) section 107 (relating to prohibition of interference with certain medical communications); and

(II) section 110 (relating to prohibition of discrimination against providers based on licensure).

(x) An informational requirement under section 121.

(2) STATE CERTIFICATION OF SUBSTANTIAL EQUIVALENCE.—

(A) IN GENERAL.—For purposes of paragraph (1), a State law that imposes requirements that relate to a section in Federal law referred to in such paragraph is deemed to be substantially equivalent to that section if the chief executive officer of the State, not later than the deadline specified in subparagraph (D), submits to the Secretary of Health and Human Services a certification described in subparagraph (B). Such certification shall be effective under paragraph (1) until otherwise provided under paragraph (3)(C) or (3)(D).

(B) DESCRIPTION OF CERTIFICATION.—A certification described in this subparagraph is, with respect to a State law in relation to a section of Federal law referred to in paragraph (1), a certification that there is a reasonable basis to find that the State law imposes requirements that, taken as a whole and considering the need for flexibility in the application of such section

1 in relation to applicable State law, provide protections  
2 that are substantially equivalent to or greater than the  
3 protections to participants and beneficiaries provided  
4 under such section.

5 (C) PROCEDURES.—The Secretary of Health and  
6 Human Services shall by regulation establish proce-  
7 dures to carry out this subsection.

8 (D) DEADLINE.—The deadline specified in this  
9 subparagraph is 90 days after the date regulations de-  
10 scribed in subparagraph (C) are first promulgated.

11 (3) OPPORTUNITY FOR SECRETARIAL REVIEW AND DE-  
12 TERMINATION.—

13 (A) NOTICE OF RECEIPT OF CERTIFICATION.—The  
14 Secretary of Health and Human Services shall provide  
15 for public notice upon receipt of a certification sub-  
16 mitted under paragraph (2). Such Secretary may re-  
17 view such a certification to determine preliminarily  
18 whether there is a reasonable basis for the certification.

19 (B) NOTICE OF PRELIMINARY DISAPPROVAL.—A  
20 certification under paragraph (2) shall be effective un-  
21 less such Secretary determines, within 90 days of the  
22 date of its submittal, that there is not a reasonable  
23 basis for the certification. Such Secretary shall provide  
24 notice to the State and the public of such determina-  
25 tion. Such notice shall include an explanation of the  
26 basis for the determination and shall identify specific  
27 deficiencies in the State law. The provision of such no-  
28 tice shall not suspend the effectiveness of the State cer-  
29 tification.

30 (C) FINAL DETERMINATION.—If such Secretary  
31 has made a determination described in subparagraph  
32 (B), such Secretary shall make a final determination  
33 regarding whether there is a reasonable basis for the  
34 certification. Such Secretary shall provide notice of  
35 such final determination in the same manner as for de-  
36 terminations under subparagraph (B). If such Sec-  
37 retary decides that there is not a reasonable basis for

1 the certification, such Secretary shall specify a time pe-  
2 riod (of not less than one year) by the end of which  
3 the certification will no longer be effective. Such deter-  
4 mination shall take effect (and the effectiveness of the  
5 certification suspended) at the end of the period for fil-  
6 ing judicial review of such determination under sub-  
7 paragraph (D) unless the State files for judicial review.  
8 If the State files for judicial review the certification  
9 shall remain in effect during the period of judicial re-  
10 view and until such time as ordered by the court under  
11 subparagraph (D).

12 (D) JUDICIAL REVIEW.—A final determination of  
13 the Secretary under subparagraph (C) is subject to ju-  
14 dicial review under chapter 5 of title 5, United States  
15 Code, in the Circuit Court of Appeals for the State cer-  
16 tification of which is challenged. To find for such Sec-  
17 retary, the court must find that there is not a reason-  
18 able basis for the certification. If the court upholds the  
19 final determination of such Secretary, the certification  
20 shall remain in effect until such date as the court may  
21 specify in order to provide for an orderly transition.

22 (4) STATE CERTIFICATIONS AFTER FEDERAL PROVI-  
23 SIONS HAVE TAKEN EFFECT.—After a section of Federal  
24 law referred to in paragraph (1) has taken effect, a State  
25 may nonetheless submit a certification described in para-  
26 graph (2)(B). Such a certification shall only become effec-  
27 tive if—

28 (A) there is no challenge of the certification by the  
29 Secretary of Health and Human Services within 90  
30 days after the date of its submittal;

31 (B) such Secretary concurs in the certification; or

32 (C) such Secretary challenges the certification but  
33 such challenge is not upheld in court;

34 and not until 1 year after the expiration of such 90-day pe-  
35 riod, the date of the Secretary's concurrence, or the date  
36 a court does not uphold the Secretary's challenge, as the  
37 case may be.

1 (b) RELATIONSHIP OF QUALIFIED STATE PATIENT PRO-  
2 TECTIONS TO PLANS UNDER ERISA.—

3 (1) IN GENERAL.—Nothing in this section shall be  
4 construed to affect or modify the provisions of section 514  
5 of the Employee Retirement Income Security Act of 1974  
6 (29 U.S.C. 1144) with respect to group health plans. In  
7 any case in which health insurance coverage is provided by  
8 a health insurance issuer in connection with a group health  
9 plan to which title I of such Act applies and there is a  
10 State law described in subsection (a)(1)(A) that regulates  
11 such coverage and that is substantially equivalent (as pro-  
12 vided under paragraph (2) or (4) of subsection (a)) to re-  
13 quirements of a section of Federal law referred to in sub-  
14 section (a)(1)(A), to the extent that such State law, as ap-  
15 plicable to such plan, is superseded by such title, the provi-  
16 sions of such State law shall be deemed (including for pur-  
17 poses of applying administration and enforcement of part  
18 5 of subtitle B of title I of such Act) to be substituted for  
19 (and incorporated as) the corresponding section of Federal  
20 law referred to in subsection (a)(1)(A) insofar as the plan  
21 provides benefits by means of such coverage.

22 (2) PREVENTING APPLICATION OF STATE LAW IN  
23 CASES WHERE FEDERAL LAW IS APPLIED.—In any case in  
24 which, after applying the provisions of this subsection with  
25 respect to a section of Federal law described referred to in  
26 subsection (a)(1)(A), the requirements of such section re-  
27 main applicable with respect to health insurance coverage  
28 (and to a group health plan insofar as it provides benefits  
29 in the form of health insurance coverage) in a State, any  
30 State law that imposes requirements within the scope of  
31 the subject matter and protections provided by such sec-  
32 tion, taken as a whole, is preempted and does not apply.

33 (c) DEFINITIONS.—For purposes of this section, the terms  
34 “State” and “State law” shall have the meanings given such  
35 terms in section 2723(d) of the Public Health Service Act (42  
36 U.S.C. 300gg-23(d)).

25 ing health insurance coverage to provide specific benefits under  
26 the terms of such plan or coverage, other than those provided

31 **“SEC. 804. PARTICIPATION AND COVERAGE REQUIRE-**  
32 **MENTS.**

2 the employee from coverage under the plan is based on a health  
3 status-related factor with respect to the employee and such em-  
4 ployee would, but for such exclusion on such basis, be eligible  
5 for coverage under the plan.

6 “(d) PROHIBITION OF DISCRIMINATION AGAINST EMPLOY-  
7 ERS AND EMPLOYEES ELIGIBLE TO PARTICIPATE.—The re-  
8 quirements of this subsection are met with respect to an asso-  
9 ciation health plan if—

10 “(1) under the terms of the plan, all employers meet-  
11 ing the preceding requirements of this section are eligible  
12 to qualify as participating employers for all geographically  
13 available coverage options, unless, in the case of any such  
14 employer, participation or contribution requirements of the  
15 type referred to in section 2711 of the Public Health Serv-  
16 ice Act are not met;

17 “(2) upon request, any employer eligible to participate  
18 is furnished information regarding all coverage options  
19 available under the plan; and

20 “(3) the applicable requirements of sections 701, 702,  
21 and 703 are met with respect to the plan.

22 **“SEC. 805. OTHER REQUIREMENTS RELATING TO PLAN**  
23 **DOCUMENTS, CONTRIBUTION RATES, AND**  
24 **BENEFIT OPTIONS.**

25 “(a) IN GENERAL.—The requirements of this section are  
26 met with respect to an association health plan if the following  
27 requirements are met:

28 “(1) CONTENTS OF GOVERNING INSTRUMENTS.—The  
29 instruments governing the plan include a written instru-  
30 ment, meeting the requirements of an instrument required  
31 under section 402(a)(1), which—

32 “(A) provides that the board of trustees serves as  
33 the named fiduciary required for plans under section

35 trator (referred to in section 3(16)(A));

1 “(B) provides that the sponsor of the plan is to  
2 serve as plan sponsor (referred to in section 3(16)(B));  
3 and

4 “(C) incorporates the requirements of section 806.

5 “(2) CONTRIBUTION RATES MUST BE NONDISCRIM-  
6 INATORY.—

7 “(A) The contribution rates for any participating  
8 small employer do not vary on the basis of the claims  
9 experience of such employer and do not vary on the  
10 basis of the type of business or industry in which such  
11 employer is engaged.

12 “(B) Nothing in this title or any other provision  
13 of law shall be construed to preclude an association  
14 health plan, or a health insurance issuer offering health  
15 insurance coverage in connection with an association  
16 health plan, from—

17 “(i) setting contribution rates based on the  
18 claims experience of the plan; or

19 “(ii) varying contribution rates for small em-  
20 ployers in a State to the extent that such rates  
21 could vary using the same methodology employed in  
22 such State for regulating premium rates in the  
23 small group market with respect to health insur-  
24 ance coverage offered in connection with bona fide  
25 associations (within the meaning of section

27 subject to the requirements of section 702(b) relating  
28 to contribution rates.

29 “(3) FLOOR FOR NUMBER OF COVERED INDIVIDUALS  
30 WITH RESPECT TO CERTAIN PLANS.—If any benefit option  
31 under the plan does not consist of health insurance cov-  
32 erage, the plan has as of the beginning of the plan year  
33 not fewer than 1,000 participants and beneficiaries.

34 “(4) MARKETING REQUIREMENTS.—

35 “(A) IN GENERAL.—If a benefit option which con-  
36 sists of health insurance coverage is offered under the  
37 plan, State-licensed insurance agents shall be used to

1 distribute to small employers coverage which does not  
2 consist of health insurance coverage in a manner com-  
3 parable to the manner in which such agents are used  
4 to distribute health insurance coverage.

5 “(B) STATE-LICENSED INSURANCE AGENTS.—For  
6 purposes of subparagraph (A), the term ‘State-licensed  
7 insurance agents’ means one or more agents who are  
8 licensed in a State and are subject to the laws of such  
9 State relating to licensure, qualification, testing, exam-  
10 ination, and continuing education of persons authorized  
11 to offer, sell, or solicit health insurance coverage in  
12 such State.

13 “(5) REGULATORY REQUIREMENTS.—Such other re-  
14 quirements as the applicable authority determines are nec-  
15 essary to carry out the purposes of this part, which shall  
16 be prescribed by the applicable authority by regulation  
17 through negotiated rulemaking.

18 “(b) ABILITY OF ASSOCIATION HEALTH PLANS TO DE-  
19 SIGN BENEFIT OPTIONS.—Subject to section 514(e), nothing in  
20 this part or any provision of State law (as defined in section  
21 514(c)(1)) shall be construed to preclude an association health  
22 plan, or a health insurance issuer offering health insurance cov-  
23 erage in connection with an association health plan, from exer-  
24 cising its sole discretion in selecting the specific items and serv-  
25 ices consisting of medical care to be included as benefits under  
26 such plan or coverage, except (subject to section 514) in the  
27 case of any law to the extent that it (1) prohibits an exclusion  
28 of a specific disease from such coverage, or (2) is not pre-  
29 empted under section 731(a)(1) with respect to matters gov-  
30 erned by section 711 or 712.

31 **“SEC. 806. MAINTENANCE OF RESERVES AND PROVI-**  
32 **SIONS FOR SOLVENCY FOR PLANS PRO-**  
33 **VIDING HEALTH BENEFITS IN ADDITION TO**  
34 **HEALTH INSURANCE COVERAGE.**

35 “(a) IN GENERAL.—The requirements of this section are  
36 met with respect to an association health plan if—

1 “(1) the benefits under the plan consist solely of  
2 health insurance coverage; or

3 “(2) if the plan provides any additional benefit options  
4 which do not consist of health insurance coverage, the  
5 plan—

6 “(A) establishes and maintains reserves with re-  
7 spect to such additional benefit options, in amounts  
8 recommended by the qualified actuary, consisting of—

9 “(i) a reserve sufficient for unearned contribu-  
10 tions;

11 “(ii) a reserve sufficient for benefit liabilities  
12 which have been incurred, which have not been sat-  
13 isfied, and for which risk of loss has not yet been  
14 transferred, and for expected administrative costs  
15 with respect to such benefit liabilities;

16 “(iii) a reserve sufficient for any other obliga-  
17 tions of the plan; and

18 “(iv) a reserve sufficient for a margin of error  
19 and other fluctuations, taking into account the spe-  
20 cific circumstances of the plan; and

21 “(B) establishes and maintains aggregate and spe-  
22 cific excess/stop loss insurance and solvency indem-  
23 nification, with respect to such additional benefit op-  
24 tions for which risk of loss has not yet been trans-  
25 ferred, as follows:

26 “(i) The plan shall secure aggregate excess/  
27 stop loss insurance for the plan with an attachment  
28 point which is not greater than 125 percent of ex-  
29 pected gross annual claims. The applicable author-  
30 ity may by regulation, through negotiated rule-  
31 making, provide for upward adjustments in the  
32 amount of such percentage in specified cir-  
33 cumstances in which the plan specifically provides  
34 for and maintains reserves in excess of the amounts  
35 required under subparagraph (A).

36 “(ii) The plan shall secure specific excess/stop  
37 loss insurance for the plan with an attachment

1 point which is at least equal to an amount rec-  
2 ommended by the plan's qualified actuary. The ap-  
3 plicable authority may by regulation, through nego-  
4 tiated rulemaking, provide for adjustments in the  
5 amount of such insurance in specified cir-  
6 cumstances in which the plan specifically provides  
7 for and maintains reserves in excess of the amounts  
8 required under subparagraph (A).

9 “(iii) The plan shall secure indemnification in-  
10 surance for any claims which the plan is unable to  
11 satisfy by reason of a plan termination.

12 Any regulations prescribed by the applicable authority pursuant  
13 to clause (i) or (ii) of subparagraph (B) may allow for such ad-  
14 justments in the required levels of excess/stop loss insurance  
15 as the qualified actuary may recommend, taking into account  
16 the specific circumstances of the plan.

17 “(b) MINIMUM SURPLUS IN ADDITION TO CLAIMS RE-  
18 SERVES.—In the case of any association health plan described  
19 in subsection (a)(2), the requirements of this subsection are  
20 met if the plan establishes and maintains surplus in an amount  
21 at least equal to—

22 “(1) \$500,000, or

23 “(2) such greater amount (but not greater than  
24 \$2,000,000) as may be set forth in regulations prescribed  
25 by the applicable authority through negotiated rulemaking,  
26 based on the level of aggregate and specific excess/stop loss  
27 insurance provided with respect to such plan.

28 “(c) ADDITIONAL REQUIREMENTS.—In the case of any as-  
29 sociation health plan described in subsection (a)(2), the appli-  
30 cable authority may provide such additional requirements relat-  
31 ing to reserves and excess/stop loss insurance as the applicable  
32 authority considers appropriate. Such requirements may be  
33 provided by regulation, through negotiated rulemaking, with re-  
34 spect to any such plan or any class of such plans.

35 “(d) ADJUSTMENTS FOR EXCESS/STOP LOSS INSUR-  
36 ANCE.—The applicable authority may provide for adjustments  
37 to the levels of reserves otherwise required under subsections

1 (a) and (b) with respect to any plan or class of plans to take  
2 into account excess/stop loss insurance provided with respect to  
3 such plan or plans.

4 “(e) ALTERNATIVE MEANS OF COMPLIANCE.—The appli-  
5 cable authority may permit an association health plan described  
6 in subsection (a)(2) to substitute, for all or part of the require-  
7 ments of this section (except subsection (a)(2)(B)(iii)), such se-  
8 curity, guarantee, hold-harmless arrangement, or other finan-  
9 cial arrangement as the applicable authority determines to be  
10 adequate to enable the plan to fully meet all its financial obli-  
11 gations on a timely basis and is otherwise no less protective of  
12 the interests of participants and beneficiaries than the require-  
13 ments for which it is substituted. The applicable authority may  
14 take into account, for purposes of this subsection, evidence pro-  
15 vided by the plan or sponsor which demonstrates an assump-  
16 tion of liability with respect to the plan. Such evidence may be  
17 in the form of a contract of indemnification, lien, bonding, in-  
18 surance, letter of credit, recourse under applicable terms of the  
19 plan in the form of assessments of participating employers, se-  
20 curity, or other financial arrangement.

21 “(f) MEASURES TO ENSURE CONTINUED PAYMENT OF  
22 BENEFITS BY CERTAIN PLANS IN DISTRESS.—

23 “(1) PAYMENTS BY CERTAIN PLANS TO ASSOCIATION  
24 HEALTH PLAN FUND.—

25 “(A) IN GENERAL.—In the case of an association  
26 health plan described in subsection (a)(2), the require-  
27 ments of this subsection are met if the plan makes pay-  
28 ments into the Association Health Plan Fund under  
29 this subparagraph when they are due. Such payments  
30 shall consist of annual payments in the amount of  
31 \$5,000, and, in addition to such annual payments, such  
32 supplemental payments as the Secretary may determine  
33 to be necessary under paragraph (2). Payments under  
34 this paragraph are payable to the Fund at the time de-  
35 termined by the Secretary. Initial payments are due in  
36 advance of certification under this part. Payments shall

1 continue to accrue until a plan's assets are distributed  
2 pursuant to a termination procedure.

3 “(B) PENALTIES FOR FAILURE TO MAKE PAY-  
4 MENTS.—If any payment is not made by a plan when  
5 it is due, a late payment charge of not more than 100

21 applicable authority makes such a determination and so notifies  
22 the board, the board shall immediately notify the qualified ac-  
23 tuary engaged by the plan, and such actuary shall, not later  
24 than the end of the next following month, make such rec-  
25 ommendations to the board for corrective action as the actuary  
26 determines necessary to ensure compliance with section 806.  
27 Not later than 30 days after receiving from the actuary rec-  
28 ommendations for corrective actions, the board shall notify the  
29 applicable authority (in such form and manner as the applica-  
30 ble authority may prescribe by regulation through negotiated  
31 rulemaking) of such recommendations of the actuary for correc-  
32 tive action, together with a description of the actions (if any)  
33 that the board has taken or plans to take in response to such  
34 recommendations. The board shall thereafter report to the ap-  
35 plicable authority, in such form and frequency as the applicable  
36 authority may specify to the board, regarding corrective action

1 taken by the board until the requirements of section 806 are  
2 met.

3 “(b) MANDATORY TERMINATION.—In any case in which—

10 ance with such requirements; and

11 “(2) the applicable authority determines that there is  
12 a reasonable expectation that the plan will continue to fail  
13 to meet the requirements of section 806,

14 the board of trustees of the plan shall, at the direction of the  
15 applicable authority, terminate the plan and, in the course of  
16 the termination, take such actions as the applicable authority

19 under subsection (a)(2)(B)(iii) or (e) of section 806, as nec-  
20 essary to ensure that the affairs of the plan will be, to the max-

25 **VENT ASSOCIATION HEALTH PLANS PRO-**  
26 **VIDING HEALTH BENEFITS IN ADDITION TO**  
27 **HEALTH INSURANCE COVERAGE.**

28 “(a) APPOINTMENT OF SECRETARY AS TRUSTEE FOR IN-

8 continue until the conditions described in the first sentence of  
9 this subsection are remedied or the plan is terminated.

20 regulations prescribed by the Secretary through negotiated  
21 rulemaking, and applicable provisions of law;

22 “(4) to require the sponsor, the plan administrator,  
23 any participating employer, and any employee organization  
24 representing plan participants to furnish any information  
25 with respect to the plan which the Secretary as trustee may  
26 reasonably need in order to administer the plan;

27 “(5) to collect for the plan any amounts due the plan  
28 and to recover reasonable expenses of the trusteeship;

29 “(6) to commence, prosecute, or defend on behalf of  
30 the plan any suit or proceeding involving the plan;

31 “(7) to issue, publish, or file such notices, statements,  
32 and reports as may be required by the Secretary by regula-  
33 tion through negotiated rulemaking or required by any  
34 order of the court;

35 “(8) to terminate the plan (or provide for its termi-  
36 nation in accordance with section 809(b)) and liquidate the

1 plan assets, to restore the plan to the responsibility of the  
2 sponsor, or to continue the trusteeship;

3 “(9) to provide for the enrollment of plan participants  
4 and beneficiaries under appropriate coverage options; and

5 “(10) to do such other acts as may be necessary to  
6 comply with this title or any order of the court and to pro-  
7 tect the interests of plan participants and beneficiaries and  
8 providers of medical care.

9 “(c) NOTICE OF APPOINTMENT.—As soon as practicable  
10 after the Secretary’s appointment as trustee, the Secretary  
11 shall give notice of such appointment to—

12 “(1) the sponsor and plan administrator;

13 “(2) each participant;

14 “(3) each participating employer; and

15 “(4) if applicable, each employee organization which,  
16 for purposes of collective bargaining, represents plan par-  
17 ticipants.

18 “(d) ADDITIONAL DUTIES.—Except to the extent incon-  
19 sistent with the provisions of this title, or as may be otherwise  
20 ordered by the court, the Secretary, upon appointment as trust-  
21 ee under this section, shall be subject to the same duties as  
22 those of a trustee under section 704 of title 11, United States  
23 Code, and shall have the duties of a fiduciary for purposes of  
24 this title.

25 “(e) OTHER PROCEEDINGS.—An application by the Sec-  
26 retary under this subsection may be filed notwithstanding the  
27 pendency in the same or any other court of any bankruptcy,  
28 mortgage foreclosure, or equity receivership proceeding, or any  
29 proceeding to reorganize, conserve, or liquidate such plan or its

9 property of such plan or sponsor, and any other suit  
10 against any receiver, conservator, or trustee of the plan, the  
11 sponsor, or property of the plan or sponsor. Pending such  
12 adjudication and upon the appointment by it of the Sec-  
13 retary as trustee, the court may stay any proceeding to en-  
14 force a lien against property of the plan or the sponsor or  
15 any other suit against the plan or the sponsor.

16 “(2) VENUE.—An action under this section may be  
17 brought in the judicial district where the sponsor or the  
18 plan administrator resides or does business or where any  
19 asset of the plan is situated. A district court in which such  
20 action is brought may issue process with respect to such  
21 action in any other judicial district.

22 “(g) PERSONNEL.—In accordance with regulations which  
23 shall be prescribed by the Secretary through negotiated rule-

5 employers located in such State or from such individuals;

6 “(2) the rate of such tax does not exceed the rate of  
7 any tax imposed by such State on premiums or contribu-
